

## CALL FOR ENTRIES

### Inland Empire and Pomona Valley Online Exhibit 2021

This coming October we are launching our very first online exhibit!

We would like to invite and encourage all our members and instructors to participate by sharing some of their favorite pieces to display in our online exhibit. It would be great if we could present at least one art piece from each member and instructor.

**Perfection is not required!** All levels are welcome! Our goal is to display a diversity of skill levels and experiences of all our members instructors.

#### ENTRY REQUIREMENTS:

- Art piece(s) should include some calligraphy.
- Art piece(s) cannot currently be in another exhibit, but previously exhibited work will be accepted.

#### NOT SURE WHAT TO SUBMIT? HERE ARE SOME SUGGESTIONS

- A piece you created in a SfC workshop or program.
- A piece you created using your favorite technique.
- Or something you just created because you were inspired to!

#### WHO CAN ENTER:

We encourage all our IE/PV members and instructors to participate. Members from other SfC regions are welcome to participate as well.
