Supplies to create the folders – have these ready at the start of program:

- Stylus or score tool (anything you use to score paper)
- Bone folder (you can use the side of a spoon or scissors)
- Thin (1/8") double sided tape (recommended) or double-sided tape runner
- Ruler, at least 12", and a triangle to make sure corners are square
- A few sheets of copy paper (Waste paper for gluing)

- **For the first Card Folder:**

One sheet of 12"x 12" scrapbook paper (this will yield 2 folders) or any paper that measures at least 6" x 12" (for a single folder). **See instructions for altering the pattern to make it 12" long.** Your paper can be double-sided or single-sided, patterned or solid. Also have at least 3 sheets (can be 8 x 10) of paper to decorate your Card Folder. These papers can be patterned or solids.

- **For the second Pocket Folder:**

One sheet of paper 11 x 16. And at least 4 pieces of other papers (8 x 10 will do) to decorate the base folder. Your paper can be single-sided or double-sided. Your other papers can also be single-sided or double-sided. And any of your papers can be patterned or solids.

- **For the Diagonal Fold Folder:**

One sheet of 8 ½ x 11 cardstock or paper heavier than copy paper, patterned or solid, double-sided or single-sided. Also have a few sheets of patterned or solid papers to decorate your folder. (8 x 10s will work)
